

JULY 2022 Newsletter

Our Mission: To promote the principles and core values of the Republican Party through education programs, publicity, and forums for discussion and debate; encourage such civic duties as voter registration drives, candidate forums, and constituent services workshops; identify, promote and support Republican candidates for office; inform and promote the public contributions by the Republican Party; and, any other purpose permitted by law and association governing documents that the RCSCA Board deems appropriate.

THIRTY PLUS FOUR

Thirty, that is how many of our Republican club members volunteered to get involved to become election poll watchers, election workers and help in other ways to bring stronger voting integrity to Clark County. They stayed after the May club meeting and participated in a training program. Alex Watson the RNC Election Integrity Director informed me they signed up for specific time and locations for the early voting. We also had four members offer to driver voters to the polls or pickup ballots for mail in. It is great to see our members engaged in voting integrity. Thanks to all!

CLARK COUNTY SCHOOLS

It is a sad day when the Clark County School Board shuns off a parent's microphone because the parent is reading an assignment given to a 15-year-old because it is too graphic for public comment.

You can check it out here: [CCSD responds after mom sharing daughter's assignment goes viral \(fox5vegas.com\)](https://www.fox5vegas.com).

Our club members realize how important education is and the CCSSD is failing in all respects. It is outside the lines when it comes to culture and sex indoctrination. To many third graders cannot read at third grade level and from that point the student's education is set up to fail.

Let us all drive to get elected those that will acknowledge the problem and work to make the changes needed.

CANCELING STUDENT LOAN DEBT

Top White House aides have drafted the order for [canceling some student loan debt](#), but they're still waiting for President Joe Biden to make up his mind on whether to go forward with it.

How much is the student loan debt? Americans owe nearly \$1,800,000,000 (1.8 t).

William J. Stieren
President

How many have student loan debt? Reports vary from 36,000,000 to 48,000,000. So, does the President have the legal authority to forgive

the debt? The law would say no but the administration is trying to produce a legal theory to do it.

So, why do it? Get votes. Oh, what a surprise. But that does single out one group to give preference. How about the rest of the students now and in past years that worked and paid for their education and the loans they incurred, or their parents? How is that justice?

Let your legislators in Congress, the administration know your opinion. Write and call today!
