3	William J Stieren	At-Large	4	I have been honored to serve as president in 2023. I would like to serve on the Board of Directors in 2024. Next year I would like our club to continue to be active. Monitor and make our members aware of important legislature bills that affect us. Make our voices known at all legislative levels - federal, state and local.	I have served as Club President the last 2 years. I am currently President of the Las Vegas Rotary Foundation. I have been Past County Chair of the Republican Party in Illinois; Officer in the Clark County Republican Party; Board Member of the Economic Development Association; County Auditorium Authority; Turn Around Management; YMCA; Community College Foundation; St. Mary's Hospital; and leadership roles in several other organizations.	We all need to get off the sidelines and engage in our club election process, to bring more leadership and creativity to the Club. Then let our representatives know what we, the voters, expect of them and hold leadership accountable. We expect: our borders to be secured; fiscal responsibility in government; law and order to prevail; stop CRT; stop uncontrolled drug and human trafficking; a strong military providing international defense and security; strong support for and follow the Constitution; stop all over reach by unelected bureaucrats that are imposing unlawful and harmful regulations on our country. Mobilize all club members to share their ideas by joining club committees, tasks and the Board of Directors.
4	Sharon McCabe	President	3	I have served as Vice President to our club for 2 years. It is my wish to continue the good work that the executive board and board members have started. By serving the members as President	I have served as Vice President and President of the Palm Springs Republican Women. I have served as campaign manager for many campaigns on a state and local level.	The past two years I have served as the Vice President of SCA Republican Club. In that time I have been instrumental in bringing Republican Candidates and like minded speakers to the club. The membership has also increased. It is my wish, if I am elected President, that this good work will continue. I am hopeful that with the help of a great elected board that the club will move forward. I have also learned a great deal about Nevada Republican politics. It would be my honor to serve a President.
5	Sherry Yetter	Vice President	2	Interested in helping the Republican Club to bring candidates to meet our membership and help conservative candidates get elected.	Voluntary South Lake Tahoe; Chairperson for 1976 Bicentennial Week Events; Activies & Speakers for SCA Pet Club	Born into a political family, I have been involved in politics forever. As a business owner, real estate agent, and rancher, I have offered my services to the local community and to statewide initiatives.
6	Linda "Lyn" Rubinson	Secretary	2	I have been pleased to be part of the 2022 & 2023 Republican Club Boards and have worked hard to help bring efficiency, innovation and creativity to the operation. In 2022 and 2023 we have built a strong team, whose collaboration and insight have brought significant success to the Club, SCA, and the community. I look forward to expanding this effort with more community interaction.	In addition to my work with the SCA Republican Club, I have worked as an officer and "at-large" director for several non-profit boards including Nevada Biotechnology and Bioscience Consortium (NevBio); Southern Nevada Medical Industry Coalition (SNMIC); Nevada Health Information Management System Society (NV-HIMSS); Consultant to the Nevada Office of Economic Development and STEM Education Advancement.	Being an Officer of the SCA Republican means staying abreast of local, state, and federal issues and ensuring that this information is shared with our club membership. This past year, I have worked hard to monitor many publications and events to stay current with changes that would impact our community. As an Officer, we must remember that we are ambassadors of the Club and SCA, wherever we are and to whom ever we share information. Our recruitment hats are always on and the excitement and enthusiasm we hold for our Club's activities should always shine through.
7	Dennis Brown	Treasurer	2	To help the Club continue its growth and to further the knowledge of our members.	Worked on Mark Robertson's Campaign for Congress, during the last Mid-Term elections and during the 2024 elections.	I am committed to the conservative ideology and to honor the strong foundation our Declaration of Independence and Constitution provided for our Republic.
8	Jim Stevens	At-Large Director	8	To work to elect Republicans to all levels of government, and to educate our Republican Club Membership of issues, bills, existing legislation and candidates.	Experienced working for many different political causes.	15 years employed as a DC Lobbyist handling federal, state, and local issues
