This past year I have tried to monitor many publications and events to stay current and ahead of changes that would impact our community. As an Officer, we must remember we are ambassadors of the Club and SCA wherever we are and to whomever we share information. Our recruitment hats are always on and the excitement and enthusiasm we hold for the activities of our Club should always shine through. Although this is a major election year, I hope to build alliances for the club on county and city levels. I am proud of the fact that our Club focuses on issues important to our community, and regardless of our political affiliations our doors are open to all to share ideas and concerns equally and respectfully with all. | | | | |
